Professional Experience

DevVerx

January 2025 - Present

Python Django Developer Lead

Experienced Python Django Developer specializing in building dynamic web applications and RESTful APIs. Proficient in Django, DRF, JavaScript, and frontend frameworks. Passionate about writing clean, maintainable code and optimizing performance. Collaborates with teams to deliver high-quality, user-friendly solutions.

Code Circle (Private) Limited

January 2024 - January 2025

Software Engineer

Software Engineer at Code Circle (Private) Limited with expertise in developing innovative solutions for web and software applications. Skilled in full-stack development using Python Django, JavaScript, and modern front-end frameworks like Tailwind CSS. Proficient in creating AI tools, responsive websites, and custom software, with a strong focus on problem-solving and efficiency. Experienced in collaborating with cross-functional teams to deliver high-quality, user-centered solutions.

Projects

Plant Detector AI Tool

- **Technologies:** HTML, CSS, JavaScript, Python, Flask, Tailwind CSS.
- Built an AI tool to detect plants from images and display detailed information.
- Developed the backend using Flask and integrated a machine learning model.
- Designed a responsive and user-friendly interface with Tailwind CSS.

Chawowa.com – Work as Full Stack Developer Website with AI Chat and Voice Bot

- **Technologies:** HTML, CSS, JavaScript, Python, Django, Tailwind CSS,
- Built a full-stack website featuring an AI-powered chat and voice bot for enhanced user engagement
- Designed a responsive frontend using HTML, CSS, JavaScript, and Tailwind CSS for a modern and intuitive user experience.
- Integrated AI functionalities to process natural language for both text and voice commands.

Tradehub24.com – Work as Frontend Developer

- **Technologies:** HTML, CSS, JavaScript, Tailwind CSS.
- Developed and designed a responsive and user-friendly UI for Tradehub24.com.
- Collaborated with the backend team to ensure seamless integration of UI components.
- Created modern, visually appealing layouts using Tailwind CSS for enhanced user engagement.

Task Management System

- **Technologies:** HTML, CSS, JavaScript, Tailwind CSS, Python, Django, SQLite.
- Designed and developed a full-stack task management system with user authentication and CRUD functionalities.
- Built a responsive and user-friendly UI using HTML, CSS, JavaScript, and Tailwind CSS.
- Implemented a RESTful API with Django to handle task management operations and database interactions.
- Integrated SQLite as the database for storing user and task data efficiently.

AI Personal Virtual Assistant

- **Technologies:** PYTHON
- Developed an AI-powered virtual assistant capable of performing tasks like searching the web, setting reminders, and managing basic user commands.
- Implemented natural language processing to interpret and respond to user queries accurately.
- Designed algorithms to integrate voice recognition and text-to-speech functionalities.
- Streamlined code to ensure efficient and responsive interactions for enhanced user experience.

Education

Matric - Computer Science

Complete Matric in Computer Science from Govt Higher Sceondary School Sheikhupura

Intermediate - FA IT

Complete FA IT from Apex Collage

Python Django Development

I completed the Python Django Developer course from Azad Chaiwala Institute of Digital Skills

Penetration Testing & Ethical Hacking

I completed the Penetration Testing & Ethical Hacking course from CYBRARY

Master in Chatgpt

Completed Master in Chatgpt Course From UNIATHENA

Prompt Engineering Course

Completed Prompt engineering Course From UDEMY

Certification

Python Django Developer

Certified From Azad ChaiWala Institute of Digital Skills

Software Engineer

Certified Software Engineer From Hacker Rank

Web Development Intern

Certified From The Spark Foundations

Python Developern Intern

Certified From CognoRise Info Tech

Python Developern Intern

Certified From Codex Cue Software Solutions

Penetration Testing & Ethical Hacking

Certified Penetration Tester & Ethical Hacker From CYBRARY

Master in Chatgpt

Certified From UNIATHENA

Penetration Testing & Web Hacking

Certified From Ehunar

Certified Ethical Hacker

Certified From Cisco
